Self-setting stacking rollers for standard folds.  
Also, adjustable for custom folds.

### FEATURES

- Self-setting stacking rollers for standard folds. Also, adjustable for customs.
- "Split table", allows the user to remove only the top half of the fold table for maintenance. This is easier, lighter and also no power cables to connect.
- Both fold tables bottoms are also mounted in a "V" pattern so the operator can easily see and set both fold tables.
- Removable top roller for easy maintenance.
- Removable feed tires and separator.
- 14 gauge steel chassis for an extremely strong and square machine.
- Easy macro and micro paper stop adjustments.
- Half-fold setting a snap.
- Easy skew and paper separator adjustments.
- Insulated for noise reduction.
- Extended conveyor.

Removable kick-out roller
